I am writing with feedback about the Guidance Material for the new Australian Aged Care Quality Standards. I note that although there are many links to spirituality and spiritual care in the Guidance Material, the federally funded National Guidelines for Spiritual Care in Aged Care have not been referenced. The Spiritual Care Guidelines are a great resource for organisations and freely available to download from Meaningful Ageing Australia's website: <https://meaningfulageing.org.au/product/national-guidelines-for-spiritual-care-in-aged-care-digital-copy/>.

I am familiar with these guidelines and suggest that they should be included.
